Factory Installed Steel Built-In Flush Mounted Manual Carousel For Scissor Lift Tables 300 Lb. Capacity Blue

MODEL AHLT-ROTATE

Ergonomic Solutions / Manual Built-In Carousel for Scissor Tables

PRODUCT OVERVIEW

Optional manual built-In carousel positions pallets, boxes, or crates without ever stepping around the table. The sleek flush mounted carousel is easy to operate and rotates smoothly. A safety detent lock restricts carousel rotation when not in use. The carousel adds one (1) inch to the scissor table service range. The scissor table is not included and the option is only available on a new table purchase.

KEY FEATURES

- Optional longer lip for ideal operation
- Ideal for a dock leveler unit for maximum efficiency
- Features durable construction for added strength and long life
- Use in industrial applications for optimal results
