

Steel Adjustable Height Gantry Crane with V-Groove Cast Iron Casters 15 Ft. Wide x 10 Ft. Max Usable Height 2,000 Lb. Capacity Blue

MODEL AHS-2-15-10-VG

Overhead Lifting / Adjustable Steel Gantry Cranes with V-Groove Casters

PRODUCT OVERVIEW

The industrial steel Gantry crane is designed for transporting and positioning materials along the beams length. The solid steel construction will provide years of service. Unit comes standard four (4) V-groove casters, allowing for quick movement and positioning adjustments. More economical and flexible than permanent cranes and features a quick setup design. Painted blue finish with warning and operating stickers and complete owner's manual. Designed for semi-permanent or permanent applications. Requires assistance from fork truck to set-up.

KEY FEATURES

- Heavy-duty welded steel construction for long lasting use
- Easy adjustable height can be done with fork truck or other overhead lifting device
- Beam length allows for use with items, both large and small
- All units comply with applicable CMAA and ANSI specifications
