Carbon Steel Air/Hydraulic Long Deck Scissor Lift Cart 63 In. x 31-1/2 In. Platform With Poly-On-Poly Casters 1,000 Lb. Capacity Blue/Silver

MODEL AIR-1000-LD

Ergonomic Solutions / Air Hydraulic Carts

PRODUCT OVERVIEW

This dual-operation hydraulic cart delivers flexible lifting capabilities to streamline your workshop operations. Operators can connect a standard shop airline for effortless height adjustments, or switch to a manual foot pump mechanism when an air source is not available. Supported by poly-on-poly wheels this cart moves smoothly across surfaces while supporting heavy loads over years of continuous service.

KEY FEATURES

- Reciprocating air or foot pump lifting capabilities
- Open platform is accessible from all four sides
- Long deck design
- Carbon steel construction
