

Steel 190CC Gas Powered With Power Tilt All-Terrain Pallet Truck 36 In. Fork Length 4000 Lb. Capacity Blue

MODEL ALL-T-4-GPT-PT

Ergonomic Solutions / Gas Powered All Terrain Pallet Trucks & Stackers

PRODUCT OVERVIEW

An all-terrain pallet truck with a gas powered drive system is the perfect solution when moving items over uneven surfaces. This pallet truck is great for use at construction sites and landscaping areas. With the use of a tilting fork feature, the products can be positioned to better fit the users needs. The robust steel construction and wide set outriggers enable the transference of items, both large and small. Steering handle includes multiple controls for user safety.

KEY FEATURES

- Adjustable fork width
- Foam filled tires for added support
- Liquid painted finish
- Electric start
