Steel Gas Powered Drive and Tilt All-Terrain Hopper Truck 2/3 Cubic Yard 3,000 Lb. Capacity Blue

MODEL ALL-T-GPT-HOP

Fork Truck Attachments / Gas Powered All-Terrain Hopper

PRODUCT OVERVIEW

The all-terrain Hopper is ideal for transporting materials over rough terrain and is excellent for landscapers and garden centers. Featuring a gas powered engine and a traction drive system for overcoming the roughest of areas. As well as, a resistant steel construction for durability in the harshest of conditions, power dump capabilities for smooth ergonomically friendly unloading, and an emergency shut-off release for extra safety. An optional line-X inside hopper coating available upon request.

KEY FEATURES

- All-terrain hopper transports materials over rough terrain for ideal operation
- Gas powered engine and a traction drive system overcomes the roughest areas
- Features durable construction for added strength and long life
- Includes an emergency shut-off release for extra safety
