Steel Adjustable Height Work Stand 15 In. x 18 In. 600 Lb. Capacity Blue

MODEL AWS-50

Ergonomic Solutions / Adjustable Height Work Stand

PRODUCT OVERVIEW

The adjustable height work stand is ideal for a variety of working capacities such as manufacturing, welding, and aircraft engine repair. The heavy duty steel construction with internal hydraulic jack is design to work, withstand, and sustain the most substantial of weights during use. Additionally, the 360 degree rotation allows for easy maneuverability and ergonomic constancy to decrease the amount of lifting and turning. A single release lever permits the raising and lowering of platform for perfect platform height.

KEY FEATURES

- Steel construction for strength and durability
- Adjustable to meet desired height
- Smooth finish for comfortable handling
- Ergonomically friendly with a 360 degree design
