Steel Bulk Bag Lifter Kit 1000 Lb Capacity Yellow/Blue

MODEL BBL-B001

Fork Truck Attachments / Bulk Bag Filling Station

PRODUCT OVERVIEW

The bulk bag lifter, arms, and rack combination provides the user with an array of choices during the lifting process. The bag lifter with an open center gives the user flexible access to the top of the bag and the goods included. The additional arms provide support by lying across the bars of storage racks, while the included storage rack design is great for quick movement between areas and stacking during times of storage.

KEY FEATURES

- Combination of designs for varying bag lifting needs
- Lifter includes multiple points for bag placement
- Fork pockets for quick transport
- Powder coated finish for baked in added toughness
