Steel Bulk Bag Lifter Open Center 4000 lb. Capacity Yellow

MODEL BBL-OC-4

Fork Truck Attachments / Bulk Bag Filling Station

PRODUCT OVERVIEW

A bag lifter is an effective addition to many industrial settings. Constructed of steel, the lifter is able to withstand the weight of heavy loaded bags with ease. The open center enables quick access to the bag and the goods secured inside. The hook design has a built in raised lip to prevent bag slippage during lifting and transporting.

KEY FEATURES

- Multiple points for bag placement
- Robust capacity for heavy loads
- Fork pockets for quick transport
- Powder coated finish for baked in added toughness
