

Steel Additional Removable Bollard Base 10-1/2 In. x 10-1/4 In. x 2 In. Silver

MODEL BOL-RF-BASE

Protective Barriers / Surface Mounted Removable Steel Pipe Safety Bollards

PRODUCT OVERVIEW

The removable bollard base is perfect for around structures. The base plate adds extra strength to the bollard unit by securing the bollard structure in place. The bright color lends itself to discernment from long distances in areas of heavy foot traffic. To use, simply slip the bottom of the bollard into the base, position the detachable handle in place, and attach to surface by utilizing the pre-drilled mounting holes.

KEY FEATURES

- Bollard base bolts to your cement floor for easy bollard removal or replacement
- Bollards can be used both indoors and outdoors to protect work areas, racking and personnel
- Guard is easily inserted into base plate then secured in place
- Padlock maybe added to prevent unauthorized removal
