

# Steel Commercial Cart 3 Shelves and No Panels 43 In. x 20 In. 550 Lb. Capacity Black

**MODEL CSC-L**

/ Commercial Service Carts

## PRODUCT OVERVIEW

A commercial service cart is the perennial work horse of a variety of industries; from hospitality and healthcare, to warehouse and facilities maintenance. Its multi-level shelf design provides ergonomic friendly relief, giving the user the option of how high or low the product can be placed. After the persistent bending and twisting that comes with putting items on or off the cart, the elevated ergonomic handles help the user stand a little straighter. And for those quiet areas that can't be disturbed, the thermoplastic casters are so low noise you might forget it's even rolling!

## KEY FEATURES

- Semi-textured surface allows for easy cleaning
- Three shelf design with raised perimeter edge
- Features secure grip handles for easy maneuverability
- Lightweight aluminum posts
