Steel Fork Mounted Poly/Steel 55 Gallon Drum Gripper 65-1/8 In.x 31 In. x 32-1/2 In. With LED Scale 700 Lb. Capacity Yellow/Black

MODEL DGPS-55-SCL

Drum Handling Equipment / Fork Mounted Drum Gripper w/ Digital Scale

PRODUCT OVERVIEW

When drums need to be moved, don't do it the old back breaking way. Let the drum grabber do it for you! The drum grabber is the fork mounted way to easily pick up and transfer drums. This unique design lifts the drum from the top lip instead of around the chimes of the drum like so many competitors. To use simply, place the grabber above the drum and lower it, slowly. The grabber will expand to fit around the drum. Safety restraint included. Once in position, raise the grabber so it is secured under the lip of the drum! And just like that, your new era of labor free drum lifting has begun!

KEY FEATURES

- T-handles secure unit to forks
- Fits 55 gallon drums
- Functional LED digital scale
- Usable with both steel and poly drums
