Steel Horizontal Drum Roller Mixer 39-5/8 In. x 27-1/2 In. x 16-3/4 In. 1000 Lb. Capacity Blue

MODEL DRM-H-3055

Drum Handling Equipment / Horizontal Drum Roller Mixer

PRODUCT OVERVIEW

This Vestil drum roller gets things moving. With the perfectly placed rollers, 30 or 55 gallon drums can be rotated smoothly and easily. Constructed of steel, the frame can maintain strength and durability throughout daily use. AC powered to maximize efficiency and reduce the amount of manual labor needed. The rollers diminish the possibility of abrasions to drums of both poly and steel construction. Powder coated finish for built in toughness.

KEY FEATURES

- Precisely and easily rotates drums
- Equipped with rollers for easier mixing
- Stationary design
- Perfect for industrial applications
