Ductile Iron Secure Overhead Drum Lifter 21 In. x 22-1/2 In. x 12 In. 2200 Lb. Capacity Blue / Yellow

MODEL DRUM-GRAB

Drum Handling Equipment / Drum Grab

PRODUCT OVERVIEW

The three-arm secure grip overhead Drum Lifter is designed exclusively for lifting closed-head and open-head 55 gallon steel drums with a secured lid installed (not for use on open-head steel drums without a lid). Unit is designed for quick and easy one person operation. This product works on select 55 gallon plastic & fiber drums with a top lip strong enough to hold the weight of the drum. Designed for quick and easy one person operation with drum in a vertical position. The narrow profile design is great for picking up drums packed close together. The three-arm ductile-iron design offers maximum strength and simplicity allowing the centering of the drum under the lifter. The polyurethane "spring" loop keeps the lifter securely engaged to the dru...
