Steel Skid Steer Snow Pusher 108 In. Usable Width Yellow

MODEL EA-SKSP-108

Facilities Maintenance / Skid Steer Snow Pusher

PRODUCT OVERVIEW

An attachable snow pusher makes it simple to clean driveways and parking lots during harsh winter storms. A quick connection design allows the unit to be utilized in conjunction with a variety of skid steer models. The extended side walls help gather and direct the snow, minimizing excess drift. While the angle of the top edge supports the forward momentum of the snow, lessening potential overflow.

KEY FEATURES

- Universal mounting system
- Two attached supports for added overall strength
- Steel constructed cutting edge
- Side shoes diminish risk of unneeded structural damage
