Steel Triple Bin Recycling Hopper 2000 Lb. Capacity

MODEL ENVIR-BIN

Fork Truck Attachments / Triple-Bin Recycling Hopper

PRODUCT OVERVIEW

This unique triple-bin recycling hopper is designed for holding different materials. The bins come in three colors: green, red, and blue. It includes a manual pull-cable to dump from the seat of a fork truck. Each bin may be dumped independently and returns to upright position when lowered to the ground. It also includes a safety strap to secure the hopper to the forklift. Poly lids are sold separately. The hoppers have a durable powder coat paint finish.

KEY FEATURES

- Designed for holding different materials depending on colors
- Bins may be dumped alone and return upright when lowered
- Includes a safety strap to secure hopper to forklift
- Durable powder coat finish
