

# Steel Electric Pallet Truck 27 In. x 45 In. 3300 Lb. Capacity Black/Red

**MODEL EPT-2745-33**

Ergonomic Solutions / Fully Powered Electric Pallet Truck

## PRODUCT OVERVIEW

The electric pallet truck is the perfect change from the manual design. This construction design is built to last, withstand rugged daily use, and diminish manual labor. Multi-function capabilities like the raise lower buttons and emergency brake are located in the handle. All areas are easily accessible for general upkeep and cleaning. Truck can be used with the handle in the upright position for utilization in the small areas. Horn is also included.

## KEY FEATURES

- Emergency reverse belly switch instantly reverses direction
- Long handle reduces slouching when maneuvering
- Extended battery life for continuous use
- Sleek design for simple washing or maintenance
