Steel Fully Electric Pallet Truck 27 In. x 48 In. 3000 Lb. Capacity Blue

MODEL EPT-2748-30

Ergonomic Solutions / Economy Fully Automatic Electric Pallet Trucks

PRODUCT OVERVIEW

The electric pallet truck is the perfect change from the manual design. This construction design is built to last, withstand rugged daily use, and diminish manual labor. Multi-function capabilities like the raise lower buttons and emergency brake are located in the handle. All areas are easily accessible for general upkeep and cleaning. Truck can be used with the handle in the upright position for utilization in the small areas.

KEY FEATURES

- Compact for use in tight areas
- Long handle reduces slouching when maneuvering
- Extended battery life for continuous use
- Open design for simple washing or maintenance
