Steel Fully Powered Electric Pallet Truck with Lead Acid Batteries 27 In. x 48 In. 6000 Lb. Capacity Black

MODEL EPT-2748-60

Ergonomic Solutions / Fully Electric Pallet Truck with Backrest (6,000 lb. Capacity)

PRODUCT OVERVIEW

Need a quick and efficient way to move products throughout your warehouse? If so, an electric pallet truck is just for you. With a powered lift and lowering system, no time is wasted. The expansive distance between the lowered height of 3.25" and the raised height of 9.25" lets an array of items be maneuvered without obstruction. Not only small items can be transported, with a capacity of 6,000 lbs. some of the heaviest items in the establishment can easily be relocated. During those moves, the slatted upright backrest provides support to the loaded items during and before transport.

KEY FEATURES

- Built in emergency reverse switch
- Fully functional steering handle
- 24V DC power
- Accessible tool tray
