

Steel Pneumatic Foot Control Two Button Assembly For Lift & Tilt Models Orange/Black

MODEL FCPN-2-FP

Ergonomic Solutions / Options For Electric Hydraulic Equipment

Product image unavailable

PRODUCT OVERVIEW

The weight and length of I-beams make them difficult to maneuver between work areas. The forklift beam mover makes that process much more efficient. The built in fork pocket ensures safe positioning onto the lifting fork. Once in position simply slide the open bottom of the beam mover over the flange of the I-beam. This secures the beam to be easily lifted or taken to different areas. Powder-coated finish for added baked in toughness.

KEY FEATURES

- Foot controlled for hand free activity
- Compact design
- Two button control for quick and easy movement
- Lightweight for simple handling

CORE PRODUCT DATA

ASSEMBLED WEIGHT
7 lbs

ASSEMBLED SIZE
5.25" W x 9.5" L x 11" H

SHIP WEIGHT
12 lbs

PACKAGE 1 SIZE
9" W x 14" D x 8" H

COLOR / FINISH
Orange / Black
