

# Polyurethane Floating Dock System Connector Bolt 3-1/2 In. x 3-1/2 In. x 8 In. Traffic White

**MODEL FDS-CB-TWT**

Industrial Carts & Dollies / Floating Dock System

Product image unavailable

## PRODUCT OVERVIEW

A connector bolt hold the units together for a confident pin and block position. With the blocks in place, the connector bolt is then used to make a more secure position that limits jostling and extra movement. Simply installation for immediate use.

## KEY FEATURES

- Polyurethane construction
- Colored design for visibility
- Lightweight design
- Secures interlocking connection
