Polyurethane Floating Dock System Handrail Post 7-1/2 In. x 7-1/2 In. x 57-1/2 In. Cool Gray

MODEL FDS-HP-GCO

Industrial Carts & Dollies / Floating Dock System

PRODUCT OVERVIEW

A handrail post provides the user additional stability when around open water. This accessory has a tough polyurethane construction that endures though challenging conditions. With a sleek design, the handrail can be secured in place with a built in connection pin.

KEY FEATURES

- Pre drilled holes enable additional barrier to be used
- Smooth surface for simple handling
- Perfect for added dock safety
- Quick interlocking connection
