Polyurethane Floating Dock System Low Profile Connector Pin 3-5/16 In. x 3-5/16 In. x 8-3/8 In. Tan

MODEL FDS-LCP-TAN

Industrial Carts & Dollies / Floating Dock System

Product image unavailable

PRODUCT OVERVIEW

A floating dock low profile connector pin is an essential piece of the overall system. This pin allows the user to join floating dock blocks together and shape the dock to fit the users' needs. With a low profile design, the top surface of the pin is reduced for less transition area between pin and block.

KEY FEATURES

- Textured surface for sure grip
- Provides a smooth transition between blocks
- Colored design for visibility
- Polyurethane construction
