

Steel Forklift Lifting Beam 40 In. x 4-1/2 In. x 18-11/16 In. 10,000 Lb. Capacity Yellow

MODEL FLB-D-10

Fork Truck Attachments / Forklift Lifting Beam

PRODUCT OVERVIEW

A forklift lifting beam is the perfect asset for maneuvering and transferring heavy objects. The centrally located shackle between two fork pockets allow the user to safely attach to the unit and transport to the desired location. Hooks are also attached to the outside of the unit for a more secure lifting experience. The strong steel construction with a bright finish enables high visibility from both near and far. Secure to the fork truck by means of a long safety restraint and screw clamps.

KEY FEATURES

- Durable construction for long term use
- Smooth finish for easy handling
- Large fork openings for easy attachment
- Yellow surface color for clear visibility
