Steel Flag Rail Chock with Adjustable Height Leg 7-1/2 In. Width Yellow

MODEL FRC-2

Loading Dock Equipment / Universal Steel Rail Chocks

PRODUCT OVERVIEW

The flag rail adjustable height steel chock fits most standard size rails. The double sided flanges keep chocks on track and the hardened steel spurs that are located on the bottom side of the chock, are used to maximize a positive grip. There are adjustable support legs to balance the flag rail chocks. The aluminum "chalk your wheels" sign is visible from both sides.

KEY FEATURES

- Single steel rail chock design fits most standard size rails
- Heavy-duty welded steel construction provides maximum durability & strength
- Rubber hand grips included for a non slip grip
- Aluminum "chalk your wheels" sign provides visibility from both sides
