# Plastic Guard Rail Reflector White

**MODEL GR-H2R-RFT-WT**

Protective Barriers / Curved Guardrail Reflectors

## PRODUCT OVERVIEW

A guardrail reflector provides an additional level of visibility. With a unique style, the reflector is visible from 360 degrees. The built-in steel hook provides a quick connection to a new or existing guard rail. Being constructed of flexible material, the reflector is a sharp contrast to many standard hard plastic designs.

## KEY FEATURES

- Hip reflective tape
- Perfect for temporary or permanent guardrails
- White reflective color
- Curved design for increased visibility
