Steel Tubular Mounting Posts with Drop In Style Bracket 10 In. x 10 In. x 42 In. Yellow

MODEL GR-STC8-DI-TP42-YL

Protective Barriers / Structural Channel Guard Rail Systems

PRODUCT OVERVIEW

This high tubular post is the perfect corner piece for new or existing guard rail systems. The unit stands tall in a variety of settings and includes a smooth finish for simple maneuvering during setup. Base plate has pre-drilled mounting holes for quick installation to the desired surface. Additional posts are available and sold separately. If adding a rail to an existing rail and post section, only a single post is needed.

KEY FEATURES

- Powder-coat safety yellow finish provides a visible and tough finish
- Welded steel construction provides a durable long lasting use
- Square design, perfect for in corners
- Pre-drilled mounting holes in base plate allow for quick and easy installation
