Steel Factory Installed Optional HDP Tie Down Blue

MODEL HDP-TIE-DOWN

Overhead Lifting / Pallet Lifters

PRODUCT OVERVIEW

Give your products more security with the addition of the optional tie down track. The track is constructed of steel and includes six slots, allowing the user to position the (included) strap at varying heights. The design minimizes set up time, while increasing user safety. With the track welded to the vertical post of the pallet lifter, straps can then be quickly secured to the track and around many products.

KEY FEATURES

- Nylon strap included
- Raised slot edges for consistent connection
- Painted blue finish
- Factory installed
