Steel Heavy Duty Cantilever Rack Kit with 24 In. Arm Set 86,000 Lb. Capacity Silver

MODEL HDU-C-8-24-G-SET

Storage Solutions / Galvanized Cantilever Rack Kits

PRODUCT OVERVIEW

The Galvanized Cantilever rack systems are ideal for distributing and industrial settings. The galvanized steel design minimizes rust while providing a strong construction. The adjustable rack arms can be adapted to a customized position allowing the unit to fit the needs of individual circumstances. *Capacity is per level.

KEY FEATURES

- Racks provide more vertical space
- Place at preference of user
- Reduces material near floor/ground level
- Lipped arm edges prevent items from falling
