

Steel Horizontal Storage Rack 48 In. Usable Width 250 Lb. Capacity Per Arm Blue

MODEL HSR-4860

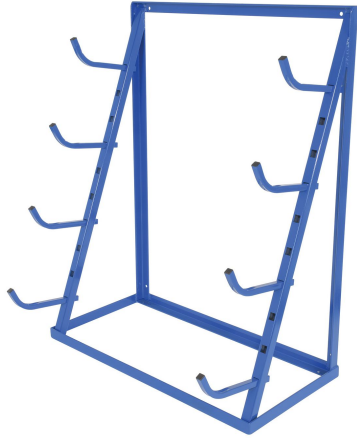

Storage Solutions / Horizontal Storage Rack

PRODUCT OVERVIEW

An adjustable bar and pipe storage rack is a great asset for work place organization and efficiency. With a durable steel construction, the rack and arms consistently hold heavy material. For additional safety, all rack arms are shaped vertically to prevent possible roll-offs of material. The open design also enables loading and unloading from 3 sides.

KEY FEATURES

- Single sided design
- Varying arm slot heights
- Powder coat finish
- Compact design for minimal floor space
