Steel Manual Hand Winch 600 Lb. Capacity Orange

MODEL HWG-600

Overhead Lifting / Manual and Worm Gear Hand Winches

PRODUCT OVERVIEW

This manual hand-operated winch is designed for many lifting, lowering and pulling applications. Equipped with a load pressure brake. This brake holds the load at any required height during hoisting and lowering and prevents unintentional lowering of the load. Adjustable crank handle for fast lifting of smaller loads, resulting in lowest possible handle effort and rapid winding of the rope. All rotating parts are maintenance-free. Suitable for operation in ambient temperatures.

KEY FEATURES

- Designed for many lifting, lowering, and pulling applications
- Equipped with a load pressure brake to prevent unintentional lowering
- Adjustable crank handle for fast lifting for minimal effort
- Suitable for operation in ambient temperatures
