Steel Low Profile Hefti-Lift 53-1/2 In. x 53-3/4 In. 880 Lb. Capacity Blue

MODEL HYD-5-LP

Ergonomic Solutions / Hefti-Lifts

PRODUCT OVERVIEW

When an object is just too hefty to lift by hand, it's time for the low profile heft-lift to take action. A simple foot operation to lift and lower the unit keeps the hand free. The platform can be lowered all the way to the ground for simple loading unloading of products and has the width to handle items that are large and awkward or small and compact. The poly casters give the unit a smooth roll over a variety of surfaces.

KEY FEATURES

- Foot pump operated
- Powder coated
- Steel construction
- Compact design for simple storage
