Steel Keg Transport Skate 18 in x 18 in x 5 in 200 lb Capacity Black

MODEL KT-S-16-200-BK

Drum Handling Equipment / Keg Transport Skate

PRODUCT OVERVIEW

Whether the event is over or just getting started, don't forget the keg transport skate. The low height design, with raised corners, is specifically intended for simple loading and unloading while maintaining much needed stability. With a compact structure, the skate is perfect for when space is limited. Constructed of steel, this unit can endure consistent daily use across a variety of surfaces. Hardware is included.

KEY FEATURES

- Three swivel casters for a smooth roll
- Powder coated black finish
- Lightweight for easy handling
- Small storage footprint
