Steel Fork Pocket Bulk Bag Lifter 1k Capacity Blue

MODEL LLM-BBL-FP-1000

Fork Truck Attachments / Bulk Bag Lifters

PRODUCT OVERVIEW

The bulk bag lifter is a proficient addition to any industrial and manufacturing setting. The closed ended fork pocket design provides stable support throughout the lifting process. The lifter is adjustable and is capable of being extended to different heights. The extension has multiple intervals that can be chosen from to best fit the application. After choosing the best lifting height, the bag is secured in place by the included lifting hook.

KEY FEATURES

- 1,000 lb. capacity when collapsed, 500 lb. capacity when fully extended
- Durable steel construction with powder coat finish
- Multiple lifting height positions
- Hardware included
