Steel Manhole Guard Rail 32-5/8 In. x 33-5/8 In. x 44-1/8 In. Yellow

MODEL MHGR-32

Facilities Maintenance / Manhole Guard Rails

PRODUCT OVERVIEW

The manhole guard rail is perfect for utility maintenance and city officials. The simple set up and take down promotes quick use when on the go and a compact storage when not in use. High rails and an attaching chain limit access and promote safety to the worker in the enclosed area. A brightly colored high strength construction makes the unit highly visible, giving caution to pedestrians and other workers to keep their distance.

KEY FEATURES

- High side walls protects user
- Foldable for simple storage
- Front gate entrance
- Lightweight for portable use
