Steel Manhole Guard Rail with Aluminum Sign 31 In. x 30 In. Warning Do Not Enter Sign Message Yellow

MODEL MHGR-32-SI-W-01

Facilities Maintenance / Manhole Guard Rails

PRODUCT OVERVIEW

The manhole guard rail with Aluminum sign is perfect for utility maintenance and city officials. The simple set up and take down promotes quick use when on the go and a compact storage when not in use. High rails and an attaching chain limit access and promote safety to the worker in the enclosed area. A brightly colored high strength construction makes the unit highly visible, giving caution to pedestrians and other workers to keep their distance.

KEY FEATURES

- Aluminum sign w/warning do not enter
- Foldable for simple storage
- Front gate entrance
- Lightweight for portable use
