Steel Pneumatic Trash Compactor 55 Gallon 68 PSI Compaction Force Blue

MODEL MTC-PNU-55

Drum Handling Equipment / Pneumatic Trash (55 Gallon Drum) Compactor

PRODUCT OVERVIEW

When material needs compacted, look no further than the drum compactor. A simple design with big results, this unit can compact material in a matter of moments. Utilizing a pneumatic input and controls with a hydraulic cylinder, the powerful down force enables the user to reduce the size of material waste. This design is specific for the use with 55 gallon drums. Painted finish minimizes abrasion and provides a smooth surface.

KEY FEATURES

- Steel construction for increased strength
- Perfect for compressing waste material
- Built-in fork pockets for simple portability
- Pneumatic crushing power
