Plastic/PVC Overhead Door Guard 120 In. With Blinking Lights Black / Yellow

MODEL ODG-120-BL

Loading Dock Equipment / Overhead Door Warning Barriers

PRODUCT OVERVIEW

Overhead door guard protects the door and structure from unintended damage. The HDPE construction is durable for withstanding a variety of elements. Includes two 15' long chains with quick connects to hang the barrier from the ceiling or existing overhead door track. Set includes lights which will flash and beepers that will sound, when guard is disturbed. Hardware included, assembly required.

KEY FEATURES

- Two Piece design
- Highly visible yellow and black finish
- Two American flags included
- Locking key for alignment support
