Plastic Bollard 10-1/4 In. x 10-1/4 In. x 31-1/2 In. Height Fluorescent Orange

MODEL OPBOL-31

Protective Barriers / Orange Plastic Bollards

PRODUCT OVERVIEW

Plastic bollards are engineered for safety and the reduction of accidents. A fluorescent orange color scheme with white reflective tape promotes safety and visibility. A loop located at the top of the unit enables easy handling and is ideal for any workplace. Spring loaded for forgiveness when contact by an outside force. Base has 3 holes for mounting to surface. Hardware for mounting base is not included.

KEY FEATURES

- Bright orange plastic construction provides greater visibility
- Reflective white tape creates added safety
- Loop molded into top of bollard for better handling and transportation
- Base includes three mounting holes for quick and easy installation
