Steel Pail Lid Closer Press Air Powered 700 Lb. Closing Force 100 PSI 250 Lb. Capacity Blue/Yellow

MODEL PLC-P-AIR

Drum Handling Equipment / Pail Lid Closing Press

PRODUCT OVERVIEW

An air powered version, model PLC-P-air, eliminates the effort of manual lid compression. Through a quick connection to your shops air source the lid press can be fully functional. With a 16" compression plate diameter, the press delivers results for a wide variety of pails and lids. An adjustable platform provides the ability to work with a diverse range of pail heights. Base frame is pre-drilled for lagging to the floor (hardware not included). Not for use with UN-rated pails for hazardous material shipping.

KEY FEATURES

- Works with pails 6" to 22" tall
- Closing force of up to 700 lbs. with just 100 PSI
- Push button controls
- Steel construction with a powder coat finish
