Polyethylene Heavy Duty D Style Hopper Lid (Use with 2-1/2 Cubic Yard Hoppers) Black

MODEL PLID-D-250

Fork Truck Attachments / Heavy-Duty Poly Lids for D & H series Hoppers

PRODUCT OVERVIEW

Keep the contents of hoppers out of sight and safe from the elements with a heavy-duty poly lid for self-dumping hoppers. Not only is this lightweight design simple to open and close, but an added benefit of the poly construction is the minimal noise created during the closing process. The multi bracketed connection to the hopper allows the lids to swing freely up and down without constraint.

KEY FEATURES

- Easily field-installed by the customer, or can be factory installed when combined with PLID-INSTALL option
- Poly construction resists rust and corrosion
- Ribbed design for strength and aesthetics
- Flat edged for quick displacement of rainwater
