Steel/Plastic Pallet Truck 109-3/16 In. x 27 In. x 48 In. 4000 Lb. Capacity Red with Yellow P-Caddy

MODEL PM4-2796-UP-001

Ergonomic Solutions / Pallet Trucks with P-CADDY

PRODUCT OVERVIEW

A pallet truck with a storage caddy is the perfect bundle of two innovative products. The pallet truck has an ergonomically friendly design with a limited pulling force required, while the caddy allows the user to be more organized and efficient. With a strong powder coated steel construction, the pallet truck moves easily between areas. Nose wheels are located on the front edge of each fork to assist in clean pallet entrance and exit. A molded plastic design allows the caddy to be durable throughout consistent daily use. Installation hardware and instructions included.

KEY FEATURES

- Caddy includes multiple storage places
- Simple hand pump raising for perfect positioning
- Caddy is simple to install for immediate use
- Traverses smoothly over a variety of terrains
