Power Move Master 53 In. x 37-1/2 In. x 37 In. 1500 Lb. Capacity Gray

MODEL PMM-1000

Industrial Carts & Dollies / Power Move Masters

PRODUCT OVERVIEW

Power move master is compact in size and easy to use. It is highly maneuverable, making it ideal for turning in tight spaces (not recommended for use on an incline or slope). DC powered for smooth, quiet operation with variable speed control for generous low speed torque and precise positioning. Built in battery charger for quick recovery. In addition, the ergonomic design provides stability and simple control. Three point mounting configurations allow for adjustable service range.

KEY FEATURES

- Power move master is compact and highly maneuverable in order to turn in tight spaces
- Unit is DC powered with variable speed control for low speed torque and precise positioning
- Includes a built in battery charger for quick recovery
- Three point mounting configurations allow for adjustable service range
