Steel Single Fork Pallet Master 400 Lb. Capacity Blue

MODEL PMSF-M-400

Ergonomic Solutions / Pallet Master Single Fork

PRODUCT OVERVIEW

A half size pallet jack is designed for compact areas, such as shipping warehouses and retail outlets. With a minimal turning radius the pallet jack can maneuver well in confined spaces. The fork can be raised and lowered with the use of the steering handle. A powder coat finish over the steel construction provides a baked in added toughness.

KEY FEATURES

- Single fork design
- Poly wheels provide quiet movement
- Perfect for half pallets
- Dual handle design for increased control
