

Steel Ergonomic Post-Crank Worker Platform 36 In. x 36 In. x 65-5/8 In. 500 Lb. Capacity Blue

MODEL POS-3636

Ergonomic Solutions / Posi-Crank Worker Platforms

PRODUCT OVERVIEW

The post-crank worker platform can be adjusted to the optimum ergonomic level suitable for each operator with a simple turn of the crank. It incorporates the use of acme threaded rods and a series of gears for simple yet effective height adjustment. The crank handle may be removed for maximizing the operating space. The deck is constructed of steel tread plate for better traction.

KEY FEATURES

- Adjustable with a simple turn of the crank
- Incorporates the use of acme threaded rods
- Crank handle may be removed for maximizing space
- Deck is constructed of steel tread plate for better traction
