# Steel Crowd Control Interlocking Barrier with Curved Feet 47-1/2 In. Length Yellow

**MODEL PRAIL-48-Y**

Protective Barriers / Crowd Control Interlocking Barriers

## PRODUCT OVERVIEW

The Heavy Duty crowd control interlocking barrier is attractive and the functional design is ideal for directing personnel. Interlocking portable railing has many commercial and industrial applications. Upright bars are vertically spaced. Each railing includes connectors to attach multiple units together to form long runs. Units are easy to move to meet changing needs. Barriers have flat and compact design to minimize storage space when not in use.

## KEY FEATURES

- Attractive and functional design ideal for directing personnel
- Curved Feet for added stability
- Rugged welded steel construction long lasting use
- Each railing includes connectors to attach multiple units end-to-end
