

# Steel Pro-Mover 48 In. x 40 In. x 11 In. 4,000 Lb. Capacity Blue

**MODEL PRM-4048-8**

Industrial Carts & Dollies / Steel Pro-Movers

## PRODUCT OVERVIEW

The Steel Pro-Mover is an open-frame dolly, engineered to transport standard wooden and plastic pallets without the need for a fork truck or traditional pallet jack. Wooden skids may be compatible depending on their construction. Built for rigorous warehouse environments, this heavy-duty mover features a durable blue powder-coat finish that resists scratches and corrosion. In order maximize floor protection, the unit rolls smoothly on glass filled nylon casters utilizing a quick-release bulldog pin design.

## KEY FEATURES

- Integrated bulldog pins allow you to remove or exchange the casters for easy maintenance
- Open design allows for quick loading and unloading
- All-welded steel frame
- Swivel caster design for unique maneuverability
