Molded Rubber Hose/Cable Crossover Bridge 32-5/8 In. x 12 In. x 3-1/2 In. 2400 Lb. Capacity Black

MODEL RHCB-12

Loading Dock Equipment / Molded Rubber Hose & Cable Crossovers

PRODUCT OVERVIEW

The molded rubber hose and cable Crossover is designed to protect cables and hoses from pedestrian and rolling traffic. The top surface of each crossover includes serrations for extra traction. Optional connectors may be used to interlock individual units together to form wider crossovers. Simply lock together as many units as required. This crossover is ideal for people who are always switching out cables but don't want to move the ramp.

KEY FEATURES

- Design protects cables & hoses from pedestrian and rolling traffic
- Top surface serrations provide extra traction
- Locking units are easy to assemble
- High level capacity can handle the heavy loads
