Steel Rough Terrain Stacker 35 Raised Height 3000 Lb Capacity

MODEL RT-S-35-AF

Ergonomic Solutions / Rough Terrain Stacker

PRODUCT OVERVIEW

When goods have to be transferred over uneven and rough surfaces, look no further than the electric powered rough terrain stacker. With its large front and back rubber tires this unit can easily be used both indoors and out. Emergency reverse belly switch instantly reverses direction and moves the unit forward (away from the operator). Forks are adjustable to precisely fit what it being maneuvered. And, even more, the unit is equipped with batteries, integral battery charger, horn and battery level indicator.

KEY FEATURES

- Infinite speed adjustment
- Emergency reverse function
- Multi-function driving handle
- Straddle wheel base design
