Steel Adjustable Extendable Fork Stacker 118 In. Raised Height 1500 Lb. Capacity Black / Yellow

MODEL S-118-AA-FR

Ergonomic Solutions / Powered Stacker with Power Drive, Power Lift, & Power Fork Reach

PRODUCT OVERVIEW

Powered stacker with power drive, power lift, and power fork reach is ideal for distribution and shipping facilities. The stacker is equipped with extendable forks, which can be utilized to reach 25" and lift objects in a condensed area where room to maneuver is limited. The stacker is power driven with simple controls that allow for precise positioning of products. Features two (2) 12V batteries with on-board charger. Battery gauge and horn are included. To use, align forks in the desired position and extend the forks to reach the product safely. Once the unit is in place and the product is secured, the stacker can be driven to the preferred workspace.

KEY FEATURES

- Emergency reverse belly switch instantly reverses direction
- Powered unit to minimize manual labor
- Diminishes amount of bending and twisting
- Simple movement controls
