Steel Heavy Duty Asphalt Anchor Kit Silver

MODEL SB-HD-AK-4

Facilities Maintenance / Speed Bumps

PRODUCT OVERVIEW

The anchor kits are a great addition to the facility maintenance department. The kit supplies a solution to securing speed bumps to a surface. The unit is designed of a strong construction that is resilient and long lasting throughout the harshest environments. Once the anchoring is in place, the speed bumps are ready for use. The kit is available in both glue down and asphalt anchor style.

KEY FEATURES

- Allows units to be permanently installed
- Simple to use without extra personnel
- Strong construction for use in a variety of areas
- Available for immediate use
